

Frisco Economic Development Corporation

Frisco, Texas

V. 2022-05

The Frisco Economic Development Corporation (FEDC) is a Type A Corporation which is governed by the State of Texas Development Corporation Act which stipulates the types of "projects" the FEDC can fund.

In order to qualify as a "PROJECT" under the Act, you must be able to answer YES to each of the following questions:

1. Will the Project create or retain primary jobs?

Are the jobs available at a company for which a majority of the products or services of that company are marketed beyond Frisco to regional, statewide, national, or international markets infusing new dollars into the local economy?

Yes No

Are jobs included in one of the NAICS Codes set forth in the Act listed below? Yes No

- 111 Crop production
112 Animal production
113 Forestry and logging
11411 Commercial fishing
115 Support activities for agriculture and forestry
211-213 Mining
221 Utilities
311-339 Manufacturing
42 Wholesale trade
48-49 Transportation and warehousing
51 (except 512131-512132) Information (excluding movie theaters)
523-525 Securities, commodity contracts and other financial investments and related activities; insurance carriers and related activities; funds, trusts, and other financial vehicles
5413 Architectural, engineering, and related services
5415 Computer system design and related services
5416 Management, scientific, and technical consulting services
5417 Scientific research and development services
5419 Other professional, scientific, and technical services
551 Management of companies and enterprises For corporate or regional headquarters, please use NAICS 551114
56142 Telephone call centers
922140 Correctional institutions
928110 National security

Company's primary six-digit North American Industry Classification System (NAICS): A six-digit NAICS code should be entered for an economic impact analysis to correctly calculate indirect and induced benefits from your company's operations. http://www.census.gov/cgi-bin/sssd/naics/naicsrch?chart=2012

If UNKOWN, please explain operations, services or products of the company:

2. Is the Project suitable for the development, retention, or expansion of any of the following?

- Manufacturing and industrial facilities
Research and development facilities
Military facilities
Transportation facilities, including airports, hangars, and rail ports
Recycling facilities
Distribution centers
Small warehouse facilities
Primary job training facilities for use by institutions of higher learning
Regional or national corporate headquarters facilities (defined to mean buildings proposed for construction or occupancy as the principal for a business enterprise;'s administration and management services)

If you answered YES to the two sections listed above, please proceed to the following Economic Impact Survey. If you answered NO to any of the questions, please contact the Frisco EDC office at 972-292-5150.
