Site Selection

The mission of the **Frisco EDC** is to promote Frisco as the premier location to locate and expand business. We strive to strengthen and expand our National and International presence through marketing, missions, business referrals and making personal connections. We also provide the following services for your business:

Data

Customized demographic reports, as well as information on workforce availability.

Building/Site Search

The EDC can provide Commercial Real Estate information for available properties in Frisco that meet your requirements. We can also coordinate tours of proposed sites and provide information on all incentives available. You can call us to request information on available properties, or visit the [Interactive GIS Map](#) for more information.

Permitting

Frisco EDC works closely with local jurisdictions to coordinate consistency and clarity for companies pursuing permits. For more information visit the [permitting page](#).
