Development Services

The Frisco Economic Development Corporation works closely with the Development Services Department, which is responsible for the safe development of buildings and infrastructure through enforcement of the city's building code, other city codes and ordinances.

The City of Frisco is committed to creating and maintaining a high quality, sustainable community for residents and businesses. The department is comprised of the following divisions:

- Building Inspections
- Code Enforcement
- Health & Food Safety
- Planning

The Development Services Department is located in City Hall at
6101 Frisco Square Blvd., 3rd Floor
Frisco, Texas 75034
Phone: 972-292-5300
Fax: [972-292-5313](tel:972-292-5313)
